ACADEMIC HISTORY

- 1965 NSW Leaving Certificate (1st Class Honours in Maths I and Maths II, 2nd Class Honours in Ancient History).
- 1965 NSW High Schools Mathematics Competition (Senior Section - Certificate of Merit).
- 1966 Arts I, University of Sydney (failed).
- 1967 Arts I, University of Sydney (repeated failure; permanently excluded from University of Sydney).
- 1969 Numerical Analysis and Algol Programming, London Institute of Actuaries.
- 1970 Colloquial Vietnamese (Distinction), RAAF School of Languages, Pt. Cook, Victoria.
- 1972 Permanent exclusion from University of Sydney revoked at Senate appeal: Arts I: Maths (Pure and Applied) I, Honours, High Distinction; Psych I, Pass (although finishing in the top 10 of c.900 students, by-laws disallow a higher grade to any repeat student ; see 1966); Elementary Japanese, Pass with Merit.
- 1973 Arts II: Pure Maths II, Pass with Merit; Psychology II, Pass with Merit (unable to be an honours student because by-laws necessitate beyond Pass performance in Psych I);
- 1974 Arts III: Pure Maths III, Pass; Psych III, Distinction; Maths Stats II, Pass;
- 1975 Arts IV: Bachelor of Arts, Honours Class I (Psychology), University of Sydney.
- 1980 Mathematical Statistics III, University of Sydney, High Distinction (awarded this grade despite only being enrolled at Pass level).
- 1981 Mathematical Statistics IV, Stochastic Processes, University of Sydney, (one of six Honours year courses).
- 1984 PhD, University of Sydney. Thesis title: The role of the response stage in stochastic models of simple reaction time.

PROFESSIONAL/ACADEMIC BODIES

- 1984 - 1989 Member of the Australian Society for Psychiatric Research.
- 1988 -1989 Member of the Australian Psychological Society.
- 1984 - Member of the Psychometric Society (USA).
- 1986 - Member of the Statistical Society of Australia.
- 1988 - Member of the International Biometric Society.
- 1995 - Member of the Australian Society for Psychiatric Research.
- 1998 - Accredited Statistician of the Statistical Society of Australia.
- 2000 - Editorial Board, *Understanding Statistics; Statistical Issues in Psychology, Education and the Social Sciences* (Lawrence Erlbaum Associates).

Reviewer for:

Psychometrika
British Journal of Mathematical and Statistical Psychology
Social Psychiatry and Psychiatric Epidemiology
Australian Journal of Psychology
Chance
Understanding Statistics

PREVIOUS APPOINTMENTS

- 1968-1969 Trainee Actuary, **AMP Society**
- 1969-1971 **Royal Australian Infantry**, conscript (including service in South Vietnam)
- 1980-1983 Part-time Tutor, Department of Psychology, **University of Sydney**
- 1984-1986 Post-doctoral Research Fellow, **NH&MRC Social Psychiatry Research Unit**, Institute of Advanced Studies, Australian National University, Canberra
- 1986-1987 Research Fellow, **NH&MRC Social Psychiatry Research Unit**, Institute of Advanced Studies, Australian National University, Canberra.
- 1988-1990 Lecturer, Department of Psychology, **University of Sydney**.
- 1991-1992 Senior Lecturer, Department of Psychology, **University of Sydney**
- 1993-2000 Senior Lecturer, Department of Medicine, (Research Director and Acting Director of the Centre for Education and Research on Ageing; Concord Repatriation General Hospital), **University of Sydney**.
- 1994-2000 Visiting Honorary Epidemiologist/Biostatistician, **Concord Repatriation General Hospital**.

CURRENT APPOINTMENTS

Honorary Associate of the Department of Medicine (Central Clinical School), **University of Sydney**.

Visiting Fellow, NH&MRC Psychiatric Epidemiology Research Centre, **Australian National University**.

Associate Professor (Quantitative Methods), Department of Psychology, **University of Sydney**.

Honorary Senior Research Officer, **Prince of Wales Medical Research Institute**.

WORKSHOPS ATTENDED

- 1985 Macquarie University (Norman Breslow). Logistic Regression and Case-Control Analysis.
- 1986 University of New South Wales (Ross Prentice). Survival Analysis.
- 1986 University of Sydney (J.J. McArdle). Structural equation modelling.
- 1987 Cancer Epidemiology Centre (Robert Elston). Genetic Epidemiology and Twin-Study Design.
- 1987 Australian National University (Sir David Cox). Statistical Inference.

TEACHING EXPERIENCE

Undergraduate:

- 1976 - 83 Tutor all years, Department of Psychology, University of Sydney
- 1978 - 80 Part-time Lecturer in General Psychology 1 and 2, University of New South Wales.
- 1988 - 90 Course coordination and lecture preparation, Psychology 2 Statistics, Department of Psychology, University of Sydney.
- 1989 - 92 Course coordination and lecture preparation, Psychology 3 Experimental Design, Department of Psychology, University of Sydney
- 1989 - 92 Course coordination and lecture preparation, Psychology 4 Advanced Statistics, Department of Psychology, University of Sydney.

Postgraduate:

- 1988 - 92 Statistical adviser for all postgraduate students (and staff), Department of Psychology, University of Sydney.
- 1993 - Postgraduate supervisor (main, associate or informal) for 8 PhD students (3 awarded so far) and 1 MSc student (awarded); Centre for Education and Research on Ageing, University of Sydney; Department of Community Medicine, University of Sydney; Research School of Social Sciences, Australian National University.

Other:

- 1992 LISREL-modelling workshop presented, Department of Psychiatry, University of Queensland.
- 1999 - Statistical consultant to Lidcombe campus College of Health Sciences.
- 1999 - Postgraduate statistical adviser for Sydney University Postgraduate Research Association.

ADMINISTRATIVE EXPERIENCE

- 1994 - 2000 Director of Research, Centre for Education and Research on Ageing (CERA), University of Sydney. In this period publications of CERA staff have risen steadily: 1992 - 8; 1993 - 4; 1994 - 11; 1995 - 23; 1996 - 25; with an ongoing rate of 25-30 p.a. or more.
- 1993 - 2000 Establishment and ongoing maintenance of up-to-date computing facilities at CERA, University of Sydney (involving initial purchases of 20 or so PCs and coordinated software suites; ongoing purchases of 3-4 PCs p.a.; oversight of network connection to Central Sydney Area Health Service, State Health Department fibre-optic backbone, and thus to the University of Sydney, etc.).
- 1996 - 2000 (Acting) Director, CERA, University of Sydney. CERA is a University of Sydney research centre having 20+ associated staff members with (total) annual salaries in excess of \$1,600,000. These staff members are variously affiliated with the University of Sydney, the Inner West Geriatric Rehabilitation Service, RGH Concord; are employed on a range of PHRDC, NHMRC and other research grants; or are employed on privately funded drug trials. In terms of the contributions of these staff to CERA, salaries in excess of \$900,000 accrue to over 18 effective full-time positions. The permanent director, Prof. G.A. Broe, has had study leave from November 1996 to March 1997, and is frequently absent for shorter periods.
- 1999 - 2000 (Acting) Director, CERA, University of Sydney. The long-term Director, Prof. G.A. Broe, resigned in July 1999.
- 2001 - Postgraduate Coordinator, School of Psychology, University of Sydney; member of Faculty of Science Postgraduate Studies Committee.
- 2001 - Chair of Postgraduate Committee, School of Psychology, University of Sydney.
- 2001 - Member of Postgraduate Committee, Faculty of Science, University of Sydney.
- 2000 - 2003 Member of Teaching Committee, School of Psychology, University of Sydney.
- 2002 - 2003 Member of Research Committee, School of Psychology, University of Sydney.

RESEARCH FUNDING

- 1989 \$41,000 from National Health & Medical Research Council (NH&MRC), for "Epidemiological study of psychosocial dysfunction in traumatic stress victims". Chief Investigators: B. O'Toole, R. Marshall, **D.A. Grayson** and R. Schureck.
- 1989 \$15,000 from Australian Vietnam War Veterans' Trust Fund. Same project as above.
- 1990 \$88,000 from NH&MRC. Same project as above.
- 1994 - 6 \$217,000 from PHRDC/NH&MRC, for "A follow-up of the Sydney Inner West Older Persons' Project". Chief Investigators: G.A.Broe, H. Creasey, B. O'Toole, **D.A. Grayson**.
- 1995 - 6 \$84,980 from the Sir Zelman Cowen Universities' Fund (University of Sydney), for "Anti-inflammatory Drugs and Alzheimer's Disease". Chief Investigators: G.A.Broe, **D.A. Grayson**, W.S. Brooks, H. Creasey, G.M. Halliday.
- 1997 - 8 \$42,000 from the Sir Zelman Cowen Universities' Fund (University of Sydney), for "Anti-inflammatory Drugs and Alzheimer's Disease". Chief Investigators: G.A.Broe, **D.A. Grayson**, W.S. Brooks, H. Creasey, G.M. Halliday.
- 1997 - 9 \$253,552 from PHRDC, for "Environmental and Genetic Risk Factors in the Dementias of Old Age". Chief Investigators: G.A.Broe, **D.A. Grayson**, W.S. Brooks.
- 1997 - 9 \$258,338 from NHMRC, for "MRI Correlates of 'Normal' Brain Ageing and Ageing Associated Cognitive Decline". Chief Investigators: G.A.Broe, H. Creasey, **D.A. Grayson**, S. Kos.
- 1997 - 9 \$180,000 from NSW Department of Health R & D Infrastructure Grants (Stream 3) program. To CERA.
- 1998 \$57,065 from Department of Veterans Affairs, for "Older Veterans: Social Supports, Well-being, and Possible Preventions". Chief Investigators: G.A.Broe, **D.A. Grayson**, O. Dent.
- 1999 \$25,000 from Australian Brewers' Foundation Alcohol-related Medical Research Grant Scheme, for "Alcohol Consumption in the Elderly". Chief Investigators: G.A.Broe, **D.A. Grayson**, O. Dent.
- 1999 \$6,000 from Australian Research Committee (Small Grants Scheme), for "Attitude Assessment: a 3-factor Theory of Ratings". Chief Investigators: Joel Michell, **D.A. Grayson**.

- 1999 - 2002 \$600,000 from NSW Department of Health R & D Infrastructure Grants (Stream 3) program. To CERA.
- 2001 - 3 \$86,700 from Australian Research Committee (Large Grants Scheme), for "The Tension Between Qualitative and Quantitative Research Perspectives in Psychology". Chief Investigators: J. Michell, **D.A. Grayson**; Associate Investigators: F. Hibberd, A. Petocz.

PUBLICATIONS: BOOK CHAPTERS

Statistical or technical:

- (1) Marsh, H.W. and **Grayson, D.A.** (1994) Multitrait-multimethod Analysis. In: **International Encyclopedia of Education**. (2nd. ed.), Volume 7. Edited by T. Husen and T.N. Postlethwaite. Pergammon Press, Oxford, U.K., p. 4000-4007.
- (2) Marsh, H.W. and **Grayson, D.A.** (1995) . In: **Structural Equation Modeling: Concepts, Issues, and Applications**. Edited by R.H. Hoyle. Sage, Thousand Oaks, London, p. 177-198.
- (3) **Grayson, D.A.** and Oliphant, G.O. (1996) Multiple inference procedures: problems and solutions. In: **At Once Scientific and Philosophic, A Festschrift for John Philip Sutcliffe**. Edited by C. R. Latimer and J. Michell, Boombana Publications, Brisbane, p. 23-46.
- (4) Oliphant, G.O. and **Grayson D.A.** (1996) Some misconceptions concerning post hoc statistical testing. In: **At Once Scientific and Philosophic, A Festschrift for John Philip Sutcliffe**. Edited by C. R. Latimer and J. Michell, Boombana Publications, Brisbane, p. 47-56.

CONFERENCES

- 1985 Symptoms and diagnoses of minor psychiatric disorder. **Australian Society for Psychiatric Research**, Melbourne.
- 1986 Statistical diagnosis and the influence of diagnostic error. **Statistical Society of Australia**, Adelaide.
- 1987 Latent trait analysis of diagnoses of dementia. **World Psychiatric Association**, Reykjavik, Iceland (with Kay, D.W. and Henderson, A.S.)
- 1989 Confusions about "scales" in psychiatric and genetic epidemiology. **Australian Society for Psychiatric Research / World Psychiatric Association**, Sydney.
- 1990 Interpretation of factors in genetic factor analysis. **Conference on Psychiatric-Genetic Epidemiology**, Sydney.
- 1990 Tests of trend in oneway layouts. **Statistical Society of Australia / International Pacific Statistical Congress**, Sydney.
- 1991 Longitudinal confirmatory factor analysis: common, time-specific, item-specific and residual error components of variance. **Society for Multivariate Experimental Psychology**, Albuquerque, U.S.A. (with Marsh, H.W.)
- 1991 Assessment of exercise performance, free fatty acids and metabolic parameters in hypertensive subjects treated with diltiazem and nifedipine. **Australian Atherosclerosis Society**, Perth; **High Blood Pressure Research Council of Australia**, Adelaide (with England, J.F., Viles, A., Williamson, E. and Smith, H.).
- 1993 3 Papers on the AUSTRALIAN VIETNAM VETERANS' HEALTH STUDY: Overview and profile of non-responders; Comparison of veteran and community illnesses; interviewer effects in diagnoses of PTSD. **International Epidemiology Association**, Sydney (with O'Toole, B.I., Marshall, R.P. and Schureck, R.).
- 1993 The role of "populations" in Psychology and Statistics. **6th Australian Mathematical Psychology Conference**, Newcastle.
- 1993 Identification results in MTMM CFA models. **6th Australian Mathematical Psychology Conference**, Newcastle (with Marsh, H.W.).
- 1994 Problems in Statistical Inference. **Experimental Psychology Conference**, Sydney.

- 1995 Clinical Audit of a Psychogeriatric Unit within an Acute Hospital. **5th National Conference Alzheimer's Association Australia**, Brisbane (with Gerry, S. and Cullen, J.)
- 1995 Neurological Signs, Ageing and the neurodegenerative syndromes. **Australian Society for Geriatric Medicine**, Gold Coast (with Waite, L.M., Broe, G.A., Creasey, H., Edelbrock, D. and O'Toole, B.I.)
- 1995 Aetiological Models of Vietnam Veteran Psychosocial Morbidity. **Australian Psychological Society Conference**, Perth (Sole presenter).
- 1995 Interviewer Effects in PTSD Diagnoses. **Australian Psychological Society Conference**, Perth (Sole presenter).
- 1995 Aetiological Models of Vietnam Veteran Psychosocial Morbidity. **Australasian Society for Psychiatric Research**, Melbourne (Sole presenter).
- 1995 "Clayton's" PTSD. **Australasian Society for Psychiatric Research**, Melbourne (Sole presenter).
- 1995 Causes of Domestic Violence in Vietnam Veterans (with Ffrench, M.). **Public Health Association of Australia Conference**, Cairns.
- 1995 Evaluation of the Vietnam Veterans' Counselling Service (with Dobson, M.). **Public Health Association of Australia Conference**, Cairns.
- 1995 Partitions and Aeffects \cong in regression models. **7th Australian Mathematical Psychology Conference**, Melbourne (Sole presenter).
- 1995 Mild neurocognitive disorder and dementia in multiple subcortical infarction. **5th Asia/Oceania Regional Congress of Gerontology**, Hong Kong (with Bennett, H., Corbett, A. and Kos, S.).
- 1996 The impact of Fisherian statistics on psychological science. **27th European Mathematical Psychology Meeting**, Padua, Italy (Sole presenter).
- 1996 Anti-inflammatory drug usage and Alzheimer=s disease. **University of Sydney Medical Faculty Meeting**, Wollongong (with Broe, G.A., Creasey, H., Waite, L., Edelbrock, D.).
- 1997 Systemic and neurodegenerative diagnoses in an elderly community population. **Australian Association of Neurologists and the British Society of Neurologists Annual Scientific Meeting**. (with Waite, L.M., Broe, G.A., Creasey, H., Cullen, J.S., O'Toole, B., Edelbrock, D., Brooks, W.S.).

- 1997 Anti-inflammatory drugs and Alzheimer's disease. **Australian Association of Neurologists and the British Society of Neurologists Annual Scientific Meeting.** (Presenter; with Broe, G.A., Creasey, H.).
- 1997 Multiple subcortical infarction and 'age associated cognitive decline'. **Australian Association of Neurologists and the British Society of Neurologists Annual Scientific Meeting.** (with Bennett, H.P., Corbett, A.J., Creasey, H., Sulway, M.R., Kos, S., Dent, O., Broe, G.A.)
- 1997 Age of onset and neuropsychological impairment in mild early stage Alzheimer's disease. **Australian Association of Neurologists and the British Society of Neurologists Annual Scientific Meeting.** (with Reid, W., Broe, G.A., Creasey, H., McCusker, E., Bennett, H., Longely, W. and Sulway, M. R.)
- 1997 Latent variable models of validity and reliability in 2x2 tables. **8th Australian Mathematical Psychology Conference,** Perth (Sole presenter).
- 1998 APOE E4 predicts, but anti-inflammatory drugs do not prevent, incident Alzheimer's disease in an elderly community sample. **6th International Meeting on Alzheimer's Disease and Related Disorders,** Amsterdam (with Brooks, W.S., Nicholson, G.A., Vale, M., Martins, R.N., Creasey, H., Waite, L.M. and Broe, G.A.)
- 1998 White matter lesions, cognitive decline and dementia: a 6 year follow up. **6th International Meeting on Alzheimer's Disease and Related Disorders,** Amsterdam (with Broe, G.A., Corbett, A.J., Bennett, H.P., Kril, J.J. and Halliday, G.M.)
- 1998 Biochemical profile from the Sydney Older Persons' Study Stage 3. **Annual Scientific Meeting of the Australian Society for Geriatric Medicine,** Melbourne (with Whyte, S., Brooks, W.S., Creasey, H. and Broe, G.A.)
- 1998 APOE E4 predicts, but anti-inflammatory drugs do not prevent, incident Alzheimer's disease in an elderly community sample. **Annual Scientific Meeting of the Australian Society for Geriatric Medicine,** Melbourne (with Brooks, W.S., Nicholson, G.A., Vale, M., Martins, R.N., Creasey, H., Waite, L.M. and Broe, G.A.)
- 1999 Anaemia associates with vascular dementia but not Alzheimer's disease. **Australian Neuroscience Society** (19th annual meeting, Hobart, 31Jan-3Feb). (with Milward, E.A., Creasey, H., Janu, M.R., Brooks, W.S. and Broe, G.A.)
- 1999 Results on identification in multitrait-multimethod models. **9th Australian Mathematical Psychology Conference,** Brisbane (Sole presenter).
- 1999 Probability, the APA Task Force, and "Evidence Based Medicine". **9th Australian Mathematical Psychology Conference,** Brisbane (Sole presenter).

- 2001 Results on identification in exploratory factor analysis models. **10th Australian Mathematical Psychology Conference**, Newcastle, December, 2001 (Sole presenter).
- 2001 Pearson, evolution and selection: history and implications. **10th Australian Mathematical Psychology Conference**, Newcastle (Sole presenter).
- 2003 Problems with Factor Analysis. **11th Australian Mathematical Psychology Conference**, Sydney (Sole presenter).

INVITED PRESENTATIONS

- 2000 Statistical Inference in Psychology, Department of Psychology Colloquium, University of Melbourne (April).
- 2000 Statistical Inference in Psychology, Department of Psychology Colloquium, Deakin University, Burwood (September).

ADVISING AND CONSULTATION

- 1993 - 5 To: Dementia Demonstration Project (Director: Kratuik, S.).
- 1994 To: Advanced Trainees in Geriatric Medicine (Convenor: Waite, L.).
- 1995 To: Australian Catholic University (PhD student: MacGibbon, M.).
- 1995 To: Inner West Respite Working Party (Coordinator: Davis, M.).
- 1996 To: Mr. Tony Williams, post-graduate student in Educational Counselling, Charles Sturt University, Bathurst)
- 1996 To: Dr. George Tsoni, Royal Prince Alfred Hospital
- 1997 To: Dr. Nalin Singh, Royal Prince Alfred Hospital
- 1997 To: A/Prof. Garth Nicholson, Molecular Genetics, RGH Concord
- 1997 To: Professor Judy Lumby, Nursing, University of Sydney, at RGH Concord
- 1998 To: Dr. Les Barnsley, Rheumatology, RGH Concord
- 1998 To: Professor Ben Freedman, Cardiology, University of Sydney, at RGH Concord
- 1999 To: Dr. Matthew Peters, Respiratory Physician, University of Sydney, at RGH Concord
- 1999 To: Professor Joe Rey, Adolescent Psychiatrist (but middle-aged), Rivendell, Concord

In terms of skills and expertise, my strongest areas are:

- Structural Equation Modelling (LISREL)
- Factor Analysis
- Questionnaire construction
- Psychometrics
- Experimental Design
- Observational Studies
- Statistical Inference and Evidence
